REASON FOR RELEASE

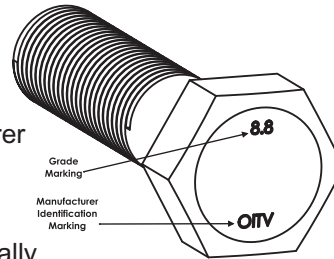

Fracture found in new uninstalled bolt from manufacturer bearing marking "OITV".

ACTION TO BE TAKEN

Immediately cease operation of ride.

Inspect M39 X 150mm passenger carriage attachment bolts to identify manufacturer markings. All bolts with the manufacturer marking "OITV" and associated nuts must be removed from service, discarded and replaced prior to continued operation.

Please note, as per ride manual, bolts are to be replaced annually.

DETAIL OF ISSUE

Document compliance in the ride's maintenance log and retain proof of purchase for replacement bolts.

CERTIFICATION OF COMPLIANCE

I certify that all M39 carriage attachment bolts with the manufacturer marking "OITV" and mating nuts have been replaced with new.
