

Subject: 01-12 Bertazzon Musik Express Bulletin

Date: Tue, 13 Nov 2001 11:38:33 -0500

From: Michael Rinehart <rineham@doacs.state.fl.us>

To: Ron Brooks <brooks@doacs.state.fl.us>, Randy Fleck <fleckr@doacs.state.fl.us>, Jerry Callahan <callahj@doacs.state.fl.us>, Cliff Groscurth <groscuc@doacs.state.fl.us>, Brad Mosher <mosherb@doacs.state.fl.us>, Allan Harrison <harrisa@doacs.state.fl.us>, Timothy Simpson <simpsot@doacs.state.fl.us>, Carlos Corvo <corvoc@doacs.state.fl.us>, Hunter Lyles <lylesh@doacs.state.fl.us>, Jerry Winters <winterj@doacs.state.fl.us>, Charlie Stegall <stegalc@doacs.state.fl.us>, Larry Cook <cookl@doacs.state.fl.us>, Keith Garner <garnerk@doacs.state.fl.us>, Roland Guay <guayr@doacs.state.fl.us>, Michael Vittori <vittorm@doacs.state.fl.us>

Thanks to Keith Garner attached is a copy of a 2/22/00 Bulletin (the number is unreadable) put out by Bertazzon requiring a "complete protection kit" for wheel covers and decorative panels for the back of the vehicles.

The fax is second or third generation and is very poor therefore I repeat the narrative below. Please acknowledge receipt of this bulletin by hitting "reply/send." **REMEMBER SOME OF YOU STILL OWE ME ACKNOWLEDGEMENTS FOR THE LAST BULLETIN (01-11 Majestic Bumper Cars).**

Number (illegible)
Date 22.02.2000
Ride type MUSIK EXPRESS
Serial No. ... All Models Before 1999

"As a safety precaution, BERTAZZON 3B sri require that the owners of MUSIK EXPRESS amusement rides with the above noted serial numbers perform the modification described within this bulletin.

"This modification will provide reduction of risk for passenger's long hairs (sic) to get in contact with the wheels and risk for passengers to fall in between the vehicles.

"DESCRIPTION OF MODIFICATION REQUIREMENTS

" Bertazzon has developed a complete protection kit consisting of the following components:

- "- No. 20 FRP wheel covers, to be installed on the radial arms, in between the vehicles.*
- "- No. 20 FRP decorative panels to be installed on the back of the vehicles.*

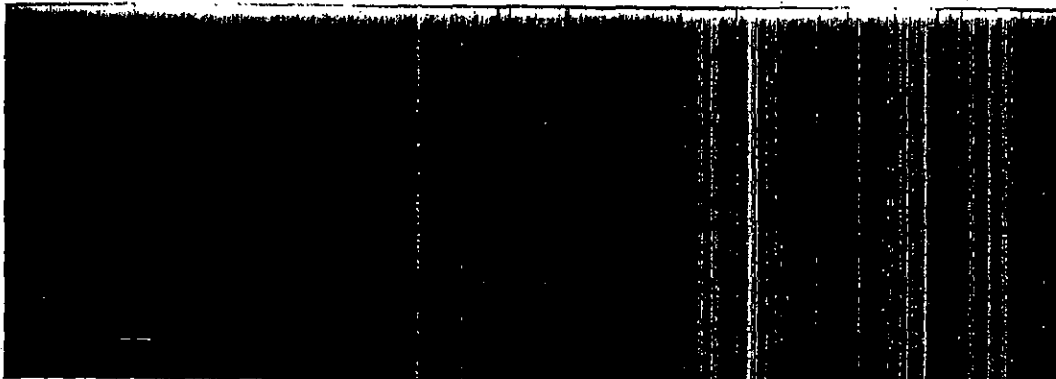

"This protection kit is designed to be installed on all Bertazzon's Musik Express with the execution of minor adjustments.

"Detailed installation instructions are supplied together with the components."

"BERTAZZON 3B Sri"

Attached is a .tif copy of the fax.

MANDATORY SAFETY BULLETIN

SUBJECT: INSTALLATION OF FRP WHEEL COVERS AND DECORATIVE PANEL ON BACK OF VEHICLES.

With reference to an accident which have occurred on another manufacturer's Musik-Express type ride, BERTAZZON 3B srl has develop an upgrade kit to reduce risk for passenger's long hairs to get in contact with the wheels and risk for passengers to fall in between the vehicles.

BERTAZZON 3B Srl strongly suggest all owners of Musik-Express rides delivered before 1999 to install the hereinafter described kit to avoid risk the above mentioned accident to occur on Bertazzon's rides.

Clients may decide to not install the above safety kit at its sole own risk.

DESCRIPTION OF MODIFICATION REQUIREMENTS

Bertazzon has developed a complete protection kit consisting of the following components:

- No. 20 FRP wheel covers, to be installed on the radial arms, in between the vehicles;

- No. 20 FRP decorative panels to be installed on back of the vehicles.

This protection kit is designed to be installed on all Bertazzon's Musik-Express with execution of minor adjustments.

Detailed Installation Instructions are supplied together with the components.
