SERVICE BULLETIN

Date: October 7, 1996

S.B. Number: 96-11

Notice:

This Bulletin is to inform owner/operators of the integrity of the hoist pick-up assembly.

We have been informed, by one of the Musik Express owners, that if a swivel were attached to the hoist pick-up point, this would facilitate a positive lift and reduce wear by letting the tub move without binding the chain hoist. This swivel assembly is being offered free of charge, if ordered within ninety (90) days of this bulletin.

If you have any questions on factory standards or procedures on our equipment, contact Majestic Manufacturing, Inc. during normal business hours of 8:00 a.m. to 4:30 p.m. Monday through Friday, E.S.T. at 330/457-2447 or toll free at 1-888-MAJ-RIDE.
