Date: May 3, 1996

S.B. Number: 96-5

Notice:

We have been informed that several units were shipped without the capability of safety keying the roof wind braces. This would eliminate the possibility of the brace not remaining secure while the ride is in operation. Please call the factory so that you may be instructed on how to resolve this situation.

If you have any questions on factory standards or procedures on our equipment, contact Majestic Manufacturing, Inc. during normal business hours of 8:00 a.m. to 4:30 p.m. Monday through Friday, E.S.T. at 330/457-2447 or toll free at 1-888-MAJ-RIDE.
