SERVICE BULLETIN

Date: February 13, 1991

S.B. Number: 91-2 Sheet 1 of 2

Notice:

Majestic Manufacturing, Inc. indicates in the owner's manual about the safeguards and hazards of raising and lowering the hydraulic gooseneck. In addition, Majestic Manufacturing will be issuing operational placards along with the instructions and hardware to be placed on each and every Majestic scooter equipped with this hydraulic feature. Majestic Manufacturing also states that any modification to the factory design relieves any responsibility of Majestic Manufacturing. You may order these placards free of charge if they are ordered within 90 days of this service bulletin. After 90 days, the charge will be \$4.00 each. You are required to have two (2) placards for each scooter building.

If you have any questions on factory standards or procedures on our equipment, contact Majestic Manufacturing, Inc. during normal business hours of 8:00 a.m. to 4:30 p.m. Monday through Friday, E.S.T. at 330/457-2447 or toll free at 1-888-MAJ-RIDE.

GOOSENECK

INSTRUCTIONS

1. REMAIN 10' AWAY FROM FRONT OF GOOSENECK WHILE RAISING OR LOWERING.
2. NEVER REMAIN UNDER GOOSENECK WHILE RAISING OR LOWERING.
3. MAINTAIN GOOSENECK TO FACTORY STANDARDS.

A diagram showing a gooseneck structure on the left. A horizontal double-headed arrow extends from the front of the gooseneck to the right, labeled "10' MIN.". At the end of this arrow is a silhouette of a person. A circular prohibition sign (a person with a diagonal slash) is placed over the gooseneck structure, indicating that no one should be under it.

Gooseneck

NOTE: Warning Label must be located on the unit in such a way that it is visible to any person prior to the lowering or raising of the Gooseneck.
