SERVICE BULLETIN

Date: August 2, 2002

S.B. Number: 2002-02

Notice:

The Air Pressure Gage installed on the rear of all Tuck & Roll Bumper Buggies is rated at a maximum of 15 PSI. **DO NOT** apply air pressure to the filler valve using either an air hose or a pressure tank that **DOES NOT** have an air pressure regulator. This will insure that a maximum of 15 PSI is not exceeded.

DAMAGE will occur to the gage if this is not followed.

If you have any questions on factory standards or procedures on our equipment, contact Majestic Manufacturing, Inc. during normal business hours of 8:00 a.m. to 4:30 p.m. Monday through Friday, E.S.T. at 330/457-2447 or toll free at 1-888-MAJ-RIDE.
