**Abstract of Issue:**

Six Flags New England found several relays (for the lap bar safety circuit) that have become discolored on the contact arm. The plastic case has also melted.

**Reason for Release:**

See above

**Action to Be Taken (Inspection, Modification, Replacement, NDT, Order Parts, Manual Revision, Procedural Change, etc.):**

Please inspect your lap bar safety circuit relays and replace as needed. Six Flags New England replaced their relays with Magnacraft Part# w78arcsx-11.

**Detail of Issue:**

See attached picture

**Engineering Comments:**

Please contact Jeff Schonaerts when inspection complete with results and/or changes made.
